KEEP US ON TRACK IN 2018

Happy New Year! 2017 was a great year for CRT; you can keep it going in 2018. Join or renew now via [PayPal](#) or mail the attached form with a check to Citizens for Regional Transit, 617 Main St., Suite #201, Buffalo, NY 14203.

In 2017, CRT continued our efforts to promote public transit. Throughout the year, we have been busy with letters, opinion pieces, and interviews in local media; meetings with State and Federal government representatives, presentations to community groups; information tables at events; attendance at meetings of transportation agencies and community organizations; comments on regional transportation plans and more.

We campaigned for pedestrian safety at transit stops. We worked with the Sierra Club on their campaign for electric buses. We held public informational meetings on the proposed Amherst rail extension and on ride-hailing (Uber, Lyft) as a potential shared mobility system with transit. We worked with other organizations to promote Dump the Pump Day in June and No-Car Day in September.

CRT relies on members for all ongoing expenses. We are entirely staffed by volunteers, so contributions go directly to promoting transit. Your membership fosters our continuing and expanded efforts.
